Title: Serpent Canal lock failure: five months of closure
Source: Freight & Ledger
Published: 2024-10-02
Type: trade_press
Event: EVT-L
Country: Asvald; Brenmark
Sector: electronics
Tier: 2

The Serpent Canal lock failure of 2024 closed the canal for five months, the longest outage in a decade.

Brenmark's electronics importers relied on the Ironway Rail Link for most of that period.
